Tata Social Internship Project Profile

BUDDY	<p>Since 2010, taking a Best Practice from Group HR and some of the successful Tata Social Internships in the past years, we are requesting that a BUDDY be identified for the Intern by the Company. The BUDDY should be a young person who is willing to be friends with the Intern and help him / her find their feet; have time to spare to guide and advise the intern on arrival; help sort out the admin issues that can seem a huge hurdle to young Interns in a new country; advise on sightseeing, in-city travel, cultural norms, company regulations, or just where to find bottled water or SIM cards or internet connectivity; help translate in day to day situations; empathise and be helpful. The Buddy should preferably not be a CS team member.</p> <p>Contact details of Buddy.</p>
LOCATION	<p>Kolkata, West Bengal</p>
BACKGROUND	<p>Background of the ongoing Project that the Tata Social Intern will be participating in (in terms of why it is necessary in the India, district and Company context; what are the other linked projects in that area that the Company is working on (if relevant); history of how long the Company has been working on that type (topic: as in water management) of project; current status of project implementation; next stage of the project that the Intern would need to contribute into; how the Tata Social Internship project fits into the future stage of the project.</p> <p>Attach reading or research material links or files.</p>
KEY DELIVERABLES	<p>Key Deliverables (as you see them at this stage. The detailed Key Deliverables can be fine tuned during the Induction at the location and will be noted into the Tata Social Internship Intern Appraisal Form during the 1st week of induction at the location.)</p> <p>Study includes:</p> <ul style="list-style-type: none"> • Data collection from electronic and paper based medical records/ hospital stock or inventory records or hospital pharmacy records or lab records. • Data analysis on Excel • Data presentation • Report preparation
OPTIONAL CASE STUDY DETAILS	<p>Video clips or Photographs enabled. Containing 10 - 15 slides or clips. 5 minutes long.</p> <p>Facilitated by Prof Jaideep Prabhu, Jawaharlal Nehru Professor of Indian Business and Enterprise, Judge Business School – University of Cambridge.</p> <p>This case study might be loaded onto the Tata Social Internship website. www.tatasocial-in.com</p>

Tata Social Internship Project Profile

RESEARCH RECOMMENDED	<p>What is the research you would like the Intern to have done prior to coming for the Internship, in terms of international benchmarks, global best practices, etc.? (See Reports submitted by past interns uploaded at http://www.tatasocial-in.com/project-reports)</p> <p><i>Please make best use of this access to some of the best research libraries in the world.</i></p>
